Adecco Internship Program

We are offering the opportunity for students, who are currently pursuing a degree in Human Resources, who are fluent in English and have strong interest in the sphere, to join the Trainee Program of Adecco Bulgaria.

Throughout the Program, you'll benefit from continuous learning, which can develop your knowledge and skills so you can support your colleagues in the business consistently and proactively. Your training will combine coaching from more senior colleagues, stretch assignments and intensive education. Indeed, one of the most exciting features of the Adecco Trainee Program is the opportunity to participate in the initial recruitment process under the supervision of a senior consultant, working with specialized product for testing candidates' competences and language skills and working with candidates' management system.

We give our trainees opportunities to grow professionally and personally and to build the strong, long-term relationships that are central to our business success. This program prepares you for a successful career in the Human Resources and for the many development opportunities which will lie ahead of you at our company.

Adecco is a Fortune Global 500 company and the global leader in HR services.
